

UFBA CHALLENGE EQUIPMENT POLICY

Introduction

In order to support the growth of Challenges throughout the country, the UFBA holds sets of equipment for the various challenges that are held at a National level. In order to continue to grow these events the equipment is loaned out to Brigades, Provincial and Regional Associations on a regular basis to assist in the running of their events.

Policy Scope / Purpose

All challenge equipment loans must be carried out in accordance with this policy.

Policy

When loaning out the challenge equipment the following rules will apply:

- Any item that is valued at over \$1,000.00 must be accompanied by an approved member of the UFBA.
 - The Brigade, Provincial or Regional that requires the equipment is responsible for the cost of the safe transport of the equipment to and from its originating location.
 - Equipment may only be used for the original intention for which it was purchased or built.
 - Requests must be made in writing no less than 30 days prior to the date required directly to the UFBA office.
 - The Brigade, Provincial or Regional that requests the equipment is responsible for any damage caused to that equipment whilst it is out of the UFBA possession.
-

Key Personnel and Roles

This policy has been issued by the Chief Executive Officer.

The Technical Panel will create the list of approved UFBA members who are able to operate the equipment.
