IYV Medal

Note

Length of ribbon on the 5 Year Service Medal and Gold Star is not to exceed 10cm in length at any time.

UFBA, NZFBI, Provincial or Sub Association LHM Medals, are to be worn in order as listed.

Royal Awards or Military Service Medals are always worn above the UFBA medals.

A combination of Medals and Service Ribbon bars should **NEVER** be worn at the same time.

Only Association Badges of Office are to be worn on the left lapel of the Fire Service Uniform.

Other "Unofficial Badges" are not permitted to be worn in a visible location of the Fire Service Uniform.

Miniature medals are available and are to be worn in the same order of precedence as described as above on civilian jackets by both serving and retired members at appropriate occasions if they so choose.
