# UFBA FIREFIGHTER CHALLENGE

## Kia ora competitors and officials

The UFBA Events Team and Challenge Panel welcome you to our 2025 Challenge season.

We encourage all UFBA members to get involved with our Challenges. These events are built on a foundation of camaraderie, manaakitanga and hauora – and are specifically designed to showcase the broad range of firefighters' skills and techniques.

The UFBA Firefighter Challenge is a high-energy, all-round exciting display of the core firefighting practices and is suitable for any member, at any level of experience or background. We see competitors from all our various memberships: urban, rural, paid, volunteer, industrial and defence force brigades. It is a great opportunity to enhance your skills, support each other, learn from others, and form connections that last.

If you're a seasoned competitor, your experience is vital to helping newer competitors learn and grow, so encourage other members from your brigade to come along and be part of this world-class event.

Looking for another way to get involved? Perhaps you would consider being one of our valued Challenge Officials and play an important part in supporting the excellence and quality of our events. Head to the UFBA website for more details: [www.ufba.org.nz](http://www.ufba.org.nz).

Our registration information is correct at the time of printing. Any changes will be available on the registration website as required. We encourage you to check in regularly to ensure that you have up-to-date details.

We look forward to seeing you at the North, South, and National Firefighter Challenges.

# FUNDING

## ISLAND & NATIONAL CHALLENGES

### FUNDING

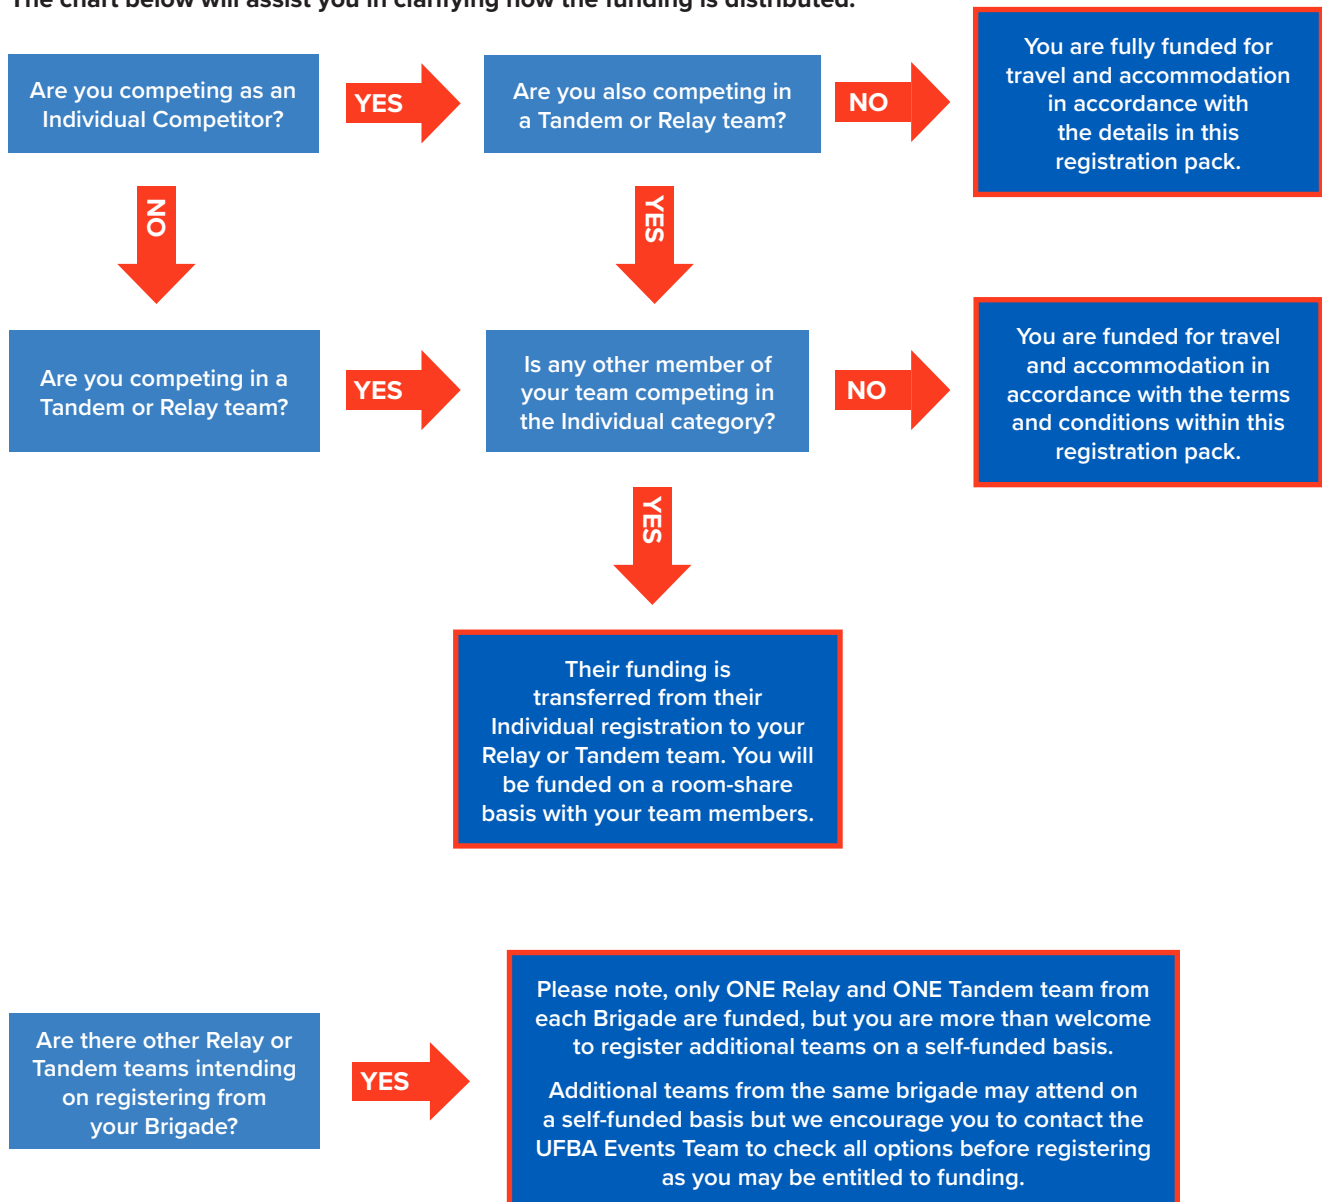

**This funding chart applies to both Island and National Challenges.**

All UFBA Firefighter Challenges will be funded for Individual Competitors and for ONE Tandem and ONE Relay team per UFBA Member Brigade. You are more than welcome to register additional Relay and Tandem teams but only one will be funded and you will be responsible for all costs for any additional team.

If your Tandem and/or Relay includes already funded Individuals and there are other Tandem or Relay teams in your Brigade, funding may be passed over to them with written approval from the UFBA Events Team.

If you choose to join a Tandem or Relay you will be funded as per those categories, i.e. room share, mileage cost sharing.

The chart below will assist you in clarifying how the funding is distributed.

NB: Does not apply to International competitors.

# FUNDING ISLAND & NATIONAL CHALLENGES

## REIMBURSEMENT EXPENSE CLAIMS UFBA FUNDED COMPETITORS ONLY

The chart and information below describes what you are eligible to claim back, and HOW to claim back. In your final information email, and your confirmation of registration, you will be sent an expense claim form to fill out.

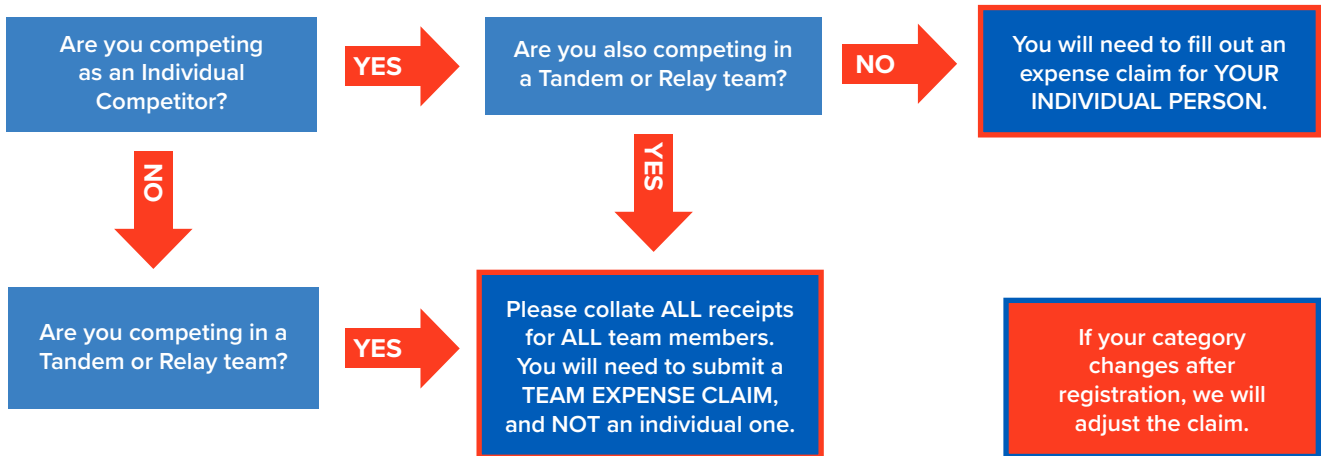

### You must include GST receipts.

- One expense claim per team will be accepted.
- Even if you know what your expenses will be, expense claims are not reimbursed until after the Challenge.
- Expense claims are due in no later than one calendar month from the conclusion of the attended Challenge.

- The relevant date will be on the top of the expense claims and **no exceptions will be made** for forms that are received at the UFBA Office later than the stipulated date.
- Meals provided during the course of the Challenge will not be reimbursed.

Please include as much information in relation to your expenditure as possible on your expense claim form.

**A reminder:** where possible, teams should carpool to reduce mileage costs.

### IF YOU HAVE NOT FILLED IN YOUR EXPENSE CLAIM CORRECTLY...

It will be returned to you and will not be processed until we get it back correctly filled in with ALL applicable GST receipts.

### IS THERE ANYTHING I CAN'T CLAIM BACK?

At any of our challenges, unless otherwise stated, the UFBA does not reimburse for loss of wages, excess baggage, laundry services, hotel room service, airline loyalty club visits, car or trailer rentals, alcohol, taxis, valet parking, mileage accumulated for the duration of the challenge, registration fees, partner costs, or lunches on Challenge days where lunch is provided, or meals on nights where UFBA has already organised functions.

If you are unsure, please contact [events@ufba.org.nz](mailto:events@ufba.org.nz) to get clarification or prior approval before booking anything that you think you will be claiming that might fall outside of the normal allowances.

### NOT QUALIFIED FOR ANY FUNDING OR REIMBURSEMENT

- Composite teams - made up of members from different Brigades
- Teams that have not competed in a North or South Island Challenge who wish to attend Nationals (unless you receive exemption from the UFBA Challenge Panel) - email your request to [events@ufba.org.nz](mailto:events@ufba.org.nz)
- Individuals competing in an Island event that is outside of their own Island.
- Partners and Observers

It is at the discretion of the UFBA Events Manager and Challenge Panel to restrict funding and/or numbers where necessary in order to fairly benefit all Member Brigades that wish to participate. Please remember, not only are we restricted by funding, we are also restricted by the number of runs we can have on the Challenge day(s).

# INTERNATIONAL COMPETITORS NATIONAL CHALLENGE

## INTERESTED INTERNATIONAL COMPETITORS

If you wish to enter our UFBA National Firefighter Challenge as an International competitor, there are a few things you must first understand:

- This event is funded for UFBA Members, however we will hold eight individual places for international competitors.
- You will NOT be eligible for funding, accolades or placings.
- International runs will be run separately to the UFBA member draw.
- You are required to fund your own flights and accommodation, and transfers to the track.

### NUMBER OF RUNS

- International individual competitors will get two individual runs.
- International tandem teams will get two tandem runs.
- International relay teams will get one relay run.

### CATEGORIES

- International competitors MUST register in the individual category.
- You may additionally choose to register in a tandem. If you don't have a teammate travelling with you, we will assign a teammate.
- International relay teams will only be run if there is at least one full team of three-to-five international competitors registered.
- If there are not enough international competitors registered to form two relay teams, you will run against a 'hybrid' team that will be established on the day.

### FEES

- Individual International competitor fee - \$400 +GST (15%). This includes two individual runs, and lunch\* on Saturday, and a prizegiving dinner ticket\*.
- Each tandem and/or relay run will be \$50 +GST additional per competitor. This will include lunch on Friday.

\* *We will try to accommodate dietary requirements once tickets are purchased, but this will depend on the supplier. All allergies will be catered.*

## ISLAND & NATIONAL CHALLENGES

### TRAVEL, MILEAGE & TRANSFERS UFBA FUNDED COMPETITORS ONLY

#### DRIVING VS FLYING

We recommend that you drive to Challenges if this is the most cost-effective way of travel. We also encourage both Officials and Competitors to travel together where possible. If you believe that you require flights, please contact the UFBA Events Team to discuss your best option. Should you be eligible for funded flights, you will then be sent flight options through Gilpin Corporate Travel.

If you choose to drive when it is cheaper to fly, you will be reimbursed mileage to the value of an average Seat+Bag fare as advised by Gilpin Corporate Travel post-challenge. Where you choose to drive when flying is a better option and require additional night(s) accommodation, you will need to fund this yourself. This means the same UFBA-secured accommodation rates cannot be guaranteed. The UFBA will use discretion to reimburse travel for the most cost-effective method of transport, regardless of how you choose to travel. Please do keep this in mind to avoid disappointment.

#### FLIGHTS (WHERE APPLICABLE)

Please indicate during online registration if you require flights and Gilpin Corporate Travel will provide you with flight options. Once options are given, you will have 24hrs to respond to your confirmation email and alter these flights – otherwise they will be booked for you. Flights are strictly non-transferable and non-refundable. If you choose to book your own flights, best available fares should be booked at all times and if you choose to book more expensive flights, you will be required to pay the difference in cost.

#### Accompanying and non-UFBA funded travellers

The UFBA encourage you to use Gilpin Corporate Travel. Flight bookings should be made at the time of registration or no later than one week after receiving confirmation of your registration. Gilpin Travel will invoice you directly.

#### MILEAGE

Mileage will be paid at rates consistent with UFBA policy and will be calculated from the centre of your town to the centre of the hosting town as per Google Maps. If you are a Tandem team competitor, you will be reimbursed for mileage of one vehicle only. Reimbursement for a Relay team is up to a maximum of two vehicles, provided you carry team members. Mileage during events will not be reimbursed.

If you have two members from one brigade, it is assumed you will travel together to reduce costs.

#### TRANSFERS

##### Airport Transfers (where applicable)

Transfers between the airport and the event venue will be automatically arranged by the UFBA in accordance with the flight reports obtained by Gilpin Corporate Travel. If you intend to book your flights through another travel provider, it is your responsibility to get your flight details through to [events@ufba.org.nz](mailto:events@ufba.org.nz) no later than 14 days before the Challenge date if you wish to be included in airport transfers. Transfer lists will be included with your final information email.

##### Island Challenge transfers

It is assumed that you will have your own transport during an Island Challenge and therefore limited transfers will be available on Challenge days. Transfer lists will be included with your final information email.

##### National Challenge transfers

All accommodation is within walking distance to the Challenge venue so there will be no transfers on Challenge days.

##### Prizegiving transfers

Transfers will be available to take you to and from the Prizegiving dinner. Transfer lists will be included in your final information email.

The UFBA prefer that you use Gilpin Corporate Travel to book your travel arrangements so we can accurately organise onward transfers for you to and from the Challenge, however we are aware that sometimes you wish to travel with your partner and want to make your own flight bookings. If you wish to book flights, you may do so and claim for the cost of yours via an expense claim after the Challenge, on the condition that you can provide your itinerary and GST receipt. You will only be reimbursed to the value of that we would have paid, as advised by Gilpin Corporate Travel.

However, if you wish to stay elsewhere you may do so, bearing in mind transport is only provided from the UFBA-selected hotel(s) and you will need to claim back your accommodation using an expense claim form (where applicable).

We will only reimburse accommodation to the same rate of the UFBA-selected hotel. Any difference in the price of the hotel that you select and the one chosen by the UFBA will be at your own cost.

### ADDITIONAL TRAVELLERS AND ROOM REQUIREMENTS

If you intend on booking more beds and/or rooms than your entitlements as outlined in this document above, you will be charged the additional costs for these rooms/beds. The UFBA will not cover these costs or any other costs associated with booking additional beds and/or rooms outside of the twin-share entitlements for your team.
