AGM & Hui 26

DRIVEN to RESPOND

2026 Registration Pack

The UFBA AGM & Conference Hui 2026 has been purposefully designed based on membership feedback over the years.

This is an interactive, in-person event, where delegates can engage with motivating, inspiring, and relevant speakers, while also meeting UFBA constitutional requirements during the AGM.

Your brigade's voice is essential to help shape your Association during the AGM, vote for your next Vice President and Motions. It is important that Member Brigades nominate their delegate to represent them at the AGM & Conference Hui.

The theme of the hui is "Driven to Respond" - it brings together experience, learning, and reflection with a clear purpose: to better understand the realities of brigade life and strengthen the support around it. It is about learning from one another, building confidence through shared practice, and ensuring every member is equipped to perform at their best. Because when the alarm sounds, readiness is tested, and our members are driven to respond.

NZ INTERNATIONAL CONVENTION CENTRE

We are excited to host the UFBA AGM & Conference Hui at the beautiful new NZ International Convention Centre (NZICC) in Tāmaki Makaurau Auckland. This purpose built conference venue will support an unforgettable experience for our 2026 delegates.

UFBA PRESIDENT **LESINA WALDEN**

Kia ora members,

I warmly invite and encourage all member brigades to send delegates to the UFBA AGM & Conference Hui 2026, being held at the brand-new NZ International Convention Centre in Tāmaki Makaurau Auckland.

This year's theme, Driven to Respond, recognises the people at the heart of our fire and emergency service — our members who answer the call when their communities need them most. It reflects the commitment, pride, trust, and sense of duty that unite volunteer and career members alike and acknowledges the vital role our people play in keeping communities safe across Aotearoa.

The Hui is more than a conference. It is an opportunity to come together as one fire and emergency whānau to strengthen capability, share experiences, and learn from one another. It is a chance to reflect on the realities of brigade life, acknowledge the contribution of our frontline workforce, and continue building the support and connections that enable our members to serve safely and effectively.

This kaupapa is especially meaningful as 2026 marks the International Volunteer Year, recognising the enormous contribution volunteers make to our communities and to Fire and Emergency New Zealand. This Hui is an important opportunity for both the UFBA and FENZ to show manaakitanga and value to those who continue to serve with dedication and professionalism.

The programme has been designed with input from members, ensuring the topics, speakers, and workshops are grounded in the realities and challenges faced across our brigades. Together, we will explore practical ways to strengthen readiness, better understand our drivers, protect ourselves, and support our people feel heard and valued.

The AGM also remains an important part of this event. It is not only a constitutional requirement, but a valuable opportunity for members to engage directly with their Association, have their say, and participate in shaping the future direction of the UFBA through elections and decision-making through motions.

I encourage every brigade to make the effort to attend, participate, and contribute. Alongside the formal programme, the Hui provides an invaluable opportunity to network with colleagues from across the country, connect with sector leaders and exhibitors, and strengthen the relationships that underpin our service.

One delegate per FENZ brigade is fully funded to attend. However, I strongly encourage brigades to consider supporting additional delegates to share in the learning, development, and connections this event provides. Investing in our people strengthens our brigades and our collective future.

I look forward to seeing you there as we come together, learn together, and continue strengthening the people who are truly driven to respond.

Kia kaha, kia kotahi rā
Our strength is our unity

Ngā mihi,
Lesina

REGISTRATION INFORMATION

Please carefully read the information below regarding the different registration types and funding information.

DELEGATES

Each member brigade shall be entitled to have one delegate, who must attend and vote at the AGM, and participate in the one and a half days of Conference Hui. A delegate must be an enrolled member who has been elected at a regular or scheduled meeting of the Enrolled Members of the Voting Member (refer UFBA Constitution rule 6.10 (a & b). They must fill out the included AGM Delegate Nomination Form and send to the UFBA Events Team before registrations close.

ADDITIONAL DELEGATE (FORMERLY OBSERVER)

Additional members of your brigade may attend. These additional delegates do not have delegate voting rights or speaking rights at the AGM and attend at their own cost. We strongly advise considering this as a succession plan for your brigade.

PAST PRESIDENTS AND LIFE HONORARY MEMBERS

Please select Past President or Life Honorary Member at the start of your registration, then select whether you will be a voting or non-voting delegate. You will be assigned accommodation and travel for your appropriate registration type. Separate communication outlining your entitlements will be sent to you directly.

PARTNERS

Partners of firefighters are an important and greatly appreciated part of the brigade family, fully immersed in the social activities and the greatest support for the firefighters themselves. This year, a small group of partners are offering an opportunity for partners to meet and mix together while the conference is in session. This will include user-pay network time on Friday afternoon, with the opportunity to arrange activities and tag along with others over the Saturday or just to catch up. If your partner is interested in participating, you will be able to include this information in your own online registration.

HAVE A VOICE AT THE UFBA AGM

VOTING IS AN ESSENTIAL PART OF YOUR INVOLVEMENT

Every voting Delegate, Past President and Life Honorary Member has the right to discuss matters and have their brigade's opinion heard at UFBA's AGM. This is your opportunity to let us know what you want.

Every voting delegate can vote on behalf of their brigade on important decisions made at the AGM. Make sure you are familiar with the voting process so you can fully participate.

WHAT YOU ARE VOTING FOR THIS YEAR

UFBA Members: You will be given the opportunity to vote for your next **Vice President**

There will also be an opportunity for you to vote on motions that will be submitted by other member brigades and the board. These are important to help the UFBA be better representatives for you going forward. Information on what you are voting on will be sent to your brigade one month prior to the AGM. So you have time to discuss at your brigade meeting and decide how your brigade would like to vote. **Remember that you are representing your entire brigade.**

Details of candidates and motions will be available at least one month prior to AGM.

DO WE HAVE YOUR CORRECT EMAIL ADDRESS?
Update your contact details: **connect@ufba.org.nz**

UFBA SECONDED MOTIONS

Seconded motions must be received by the CE by **23 July 2026**. The form to submit a motion is available on the UFBA website.

UFBA VICE PRESIDENT NOMINATIONS

Nominations for the UFBA Vice President will close on **23 August 2026**. The nomination form is available on the UFBA website.

CAN'T MAKE IT THIS YEAR? USE A PROXY

Did you know that if your brigade can't send a Delegate to the AGM, you can ask a neighbouring brigade that is attending to vote on your behalf? Alternatively you can offer to be a proxy for a local brigade with a signed permission form. We'll send out more information about the voting process nearer the time.
